2007 All-Terrain Vehicle Belt Applications

Don't go down the wrong path!

Cruise with Carlisle! Cruise with confidence with the industry's leader. Extensive research and development assures that every UltimaxATV belt provides durable, aggressive operation. Over the past 8 decades, Carlisle has engineered and manufactured products for industry's most critical applications.

The Drive Belt of Choice for High Performance!

Each belt is crafted from only the best rubber compounds and tough Aramax cord. Carlisle belts enhance the efficiency of the variable speed drive system. UltimaxATV eliminates excessive friction and tension preventing drive damage. Exacting belt length tolerance minimizes system wear and avoids slippage.

Built Tough - Guaranteed!

The best aftermarket belt in the industry is backed by the best warranty. Carlisle stands behind all its products. Should your UltimaxATV belt fail within two years of the purchase date, Carlisle will provide you with a new belt under the following conditions.

All warranty claims must include proof of purchase (sales receipt or dealer invoice), the failed belt, the completed warranty card, and a check or money order (no cash please) for \$10.00 USD, \$12.00 CND to cover return postage and handling costs. Upon receipt of these items, Carlisle quality control personnel will inspect the failed belt. Providing in their considered opinion, it was properly installed, on the correct machine, with drive system in good repair and not intentionally cut, damaged or used for racing, Carlisle will rush a replacement belt free of additional charge postage prepaid.

Note: Liability under any express or implied warranty is limited to replacement of such merchandise. Carlisle shall not be liable for any incidental or consequential damages. This warranty is in lieu of all other warranties expressed or implied and all other obligations or liabilities on the part of Carlisle Power Transmission Products, Inc..

Accuracy

We strive for accuracy in our application information. If you spot an error, please bring it to our attention. Send your comments and suggestions to: info@carlislebelts.com.

Ultimax ATV Belts
 “Part of the family of high performance products from Carlisle”

Ultimax ATV Warranty

Should your UltimaxATV belt fail within two years of the purchase date, Carlisle will provide you with a replacement UltimaxATV belt under the following conditions.

All warranty claims must include proof of purchase (sales receipt or dealer invoice), the failed belt, the completed warranty card, and a check or money order (no cash please) for \$10.00 USD, \$12.00 CAD to cover return postage and handling costs. Upon receipt of these items, Carlisle quality control personnel will inspect the failed belt. Providing in their considered opinion, it was properly installed, on the correct machine, with drive system in good repair and not intentionally cut, damaged or used for racing, Carlisle will rush a replacement belt free of additional charge postage prepaid.

Note: Liability under any express or implied warranty is limited to replacement of such merchandise. Carlisle shall not be liable for any incidental or consequential damages. This warranty is in lieu of all other warranties expressed or implied and all other obligations or liabilities on the part of Carlisle Power Transmission Products, Inc..

Safety Note WARNING

Safety must be considered a basic factor in machine operation at all times. Most accidents are the result of carelessness or negligence. Failure to follow recommended application information and recommended procedures for selection, installation, care, maintenance and storage of drive belts may result in failure to perform properly and may result in damage to property and serious bodily injury. Make sure that the belt selected for any application is recommended for that service. Please contact Carlisle or your local dealer for assistance.

CAUTION

Guards, access doors, and covers must be securely fastened before operating any equipment. If parts are to be inspected, cleaned, observed, or general maintenance performed, the motor driving the part or components is to be locked out in such a manner that it cannot be started by anyone. Failure to follow these instructions may result in property damage, personal injury, or death.
